Executive Key Findings:

- **Call Center Contact Rate:** 100% adherence (52/52 cases contacted once released by service centers) with **88%** achieving SLA <24 hours.
- **Service Station Response Speed:** Overall average is **6 days** against the target of ≤2 days. Rathmalana (48% contact rate) & Yakkala (38% contact rate) require immediate operational acceleration.
- **CSAT Outcome:** 56% satisfied upon call center re-contact, with 35% requiring ongoing aftermarket technical solution.
